*Our Genderfree shopping experience isn't about removing gender. For many both within and outside of the LGBTQIA+ community, gender is of great significance to identity and expression. Genderfree is about encouraging freedom of expression in the way we shop that is flexible and inclusive for all whether that's with gender, or without.

*The terms femme and masc denote the different styles of clothing and underwear available to our customers. Traditionally these clothing styles have been referred to as 'women's' or 'mens' respectfully.

*When selecting your size within the genderfree shopping experience, any numbered sizing refers to women's/femme and lettered sizing refers to mens/masc.
